# Health

Kashmir Singh, resident of Village Tangra, Amritsar came to our SimbaQuartz office last month with a hope as his son met with an accident and was undergoing treatment in a hospital. SimbaQuartz helped him with the partial payment so that he could get treatment for his injured son.

# Grocery

If we talk about villages, one can easily find such homes especially in villages where there is no one to earn basic livelihood. Ram Singh, studying in ninth class is living with his only guardian, his grandmother. There is no one in Ram's house to earn livelihood. Therefore to support them, every month SimbaQuartz helps them with grocery.

Sukhwinder Kaur from village Tangra lost her husband. There are five members in her family no one is earning. Ms. Kaur herself works as daily wages somewhere and from last few days due to her bad health condition, she couldn't go to work and couldn't get the grocery for the whole family. SimbaQuartz helped her with the grocery kit.

# Shagun to Daughters

Last month, a few known people from the village Muchhal came to our office as they were looking for the help for the marriage of two girls. SimbaQuartz helped the two girls with Shagun.

Sandeep Kaur along with her mother from village Rumana Chak came to our office SimbaQuartz. Her mother said that Sandeep's marriage is fixed and we are not able to buy the wedding stuff required for the marriage.

We immediately sent them to the city along with one of our official persons from the office to buy them the wedding stuff they want.

## Education

We are ardent follower of the fact that only education can take you to places you desire. Hence, we always encourage people to get education. Ram Singh, living with his only guardian, grandmother from village Muchhal is studying in 9th standard. SimbaQuartz helped him with a mobile phone, internet connection and laptop so that he can study online uninterruptedly in the SimbaQuartz office premises.

SimbaQuartz has helped to clear the halted fee of two students from village Chhajjalwaddi. Both the students are very bright and studying in the area's top school. Due to the family's unstable financial situation, their parents could not pay the few months fees.

Every parent has a desire to teach their children in best schools so that they don't have to suffer in the same way in which their parents are going through. Ms. Sehajpreet Kaur from Sri Muktsar Sahib said that she was not able to pay her son's school fees for the last three months. SimbaQuartz helped her to pay her son's pending three months fees.

## Building

An elderly rickshaw puller from village Valla, district Amritsar, has a wife and daughter-in-law at home. The roof of the room collapsed which made them to sleep on the street outside. From Amritsar, Sumit took the initiative to build their house with the help of the people. SimbaQuartz contributed cement to repair the roof of their house.

There is another similar case in Ferozepur district where a widow named Kaushalya lives with her three daughters and a son. There is no source of income and the condition of the house is very bad. SimbaQuartz helped build their home.

## Shoe Giving Campaign

The Shoe Giving mission is our special mission. In addition to distributing shoes in schools, we also take care of slum children. This month, SimbaQuartz donated shoes to children in the slums of Beas. The total number of shoes in the 50,000 Shoe Giving mission has reached 18,387 so far.

A short film "Zindagi" has been made and we are making another new short film with the village children cast.

In SimbaQuartz, Kulwinder Kaur, Gurpreet Kaur, Upasana and Varinder Singh are learning computer skills. Separate computers have been provided to them.
