

# **February 2022**

## **Social Initiatives**

***“ Changing Lives  
We Rise By Lifting Others ”***

The fulfilling feeling of giving back and contributing to society is unparalleled. No one has ever become poor by sharing. It involves a certain amount of giving. It's not how much we give but how much love we put into giving. As we grow older, we discover that we have two hands – one for helping ourselves and the other for helping others.” We all come to the world with the joy of having things, but when we leave this world, we should have experienced the joy of contributing and giving back to the society. That is a mature joy, the real joy. There's nothing more rewarding than giving back and making a difference in the lives of the people in this great community.

“ Giving is not just about making a donation. It is about making a difference.”

## Shoe Giving Campaign - Amritsar

In the month of February, we conducted our 396 Shoe Giving Campaign at Govt Elementary School, Village Bhinder, Amritsar. There we distributed 60 pairs of shoes to the needy students including helping staff under the #50000ShoeToGive mission. We also interacted with the students and staff members of the school and they happily pen down their testimonials about how they felt about the campaign and the comfort of shoes. Till February, we have donated about 18907 shoes out of 50000 Shoe To Give mission.

## Food Sharing Campaign - Amritsar

This month along with our 50000 Shoe To Give mission campaign, we have also distributed cooked food packets in a Slums nearby Beas District Amritsar. After our Shoe Giving mission, Food Sharing is our next big cause. Slums dwellers don't have access to high quality, fresh and hygienic food. Our team of volunteers felt humbled by the feedback of the slums residents about the food and blessed us.

## Education

Ramandeep Kaur, Rahul Verma & Manpreet Singh are learning for free at SimbaQuartz. They are learning website development & graphic designing free of cost from our team, with separate computers arranged for them. We aim to support the young generation of the village who prefers education and those who have a desire to learn in any way so that they become capable of getting a job shortly.
