***“ Changing Lives  
We Rise By Lifting Others “***

The fulfilling feeling of giving back and contributing to society is unparalleled. No one has ever become poor by sharing. It involves a certain amount of giving. It's not how much we give but how much love we put into giving. As we grow older, we discover that we have two hands – one for helping ourselves and the other for helping others.” We all come to the world with the joy of having things, but when we leave this world, we should have experienced the joy of contributing and giving back to the society. That is a mature joy, the real joy. There's nothing more rewarding than giving back and making a difference in the lives of the people in this great community.

*“ Giving is not just about making a donation. It is about making a difference.”*
